Filling out the Bid Application Form

This guide follows the blanks on the Bid Application Form from top to bottom.

OGRID No. Enter your OGRID number here. If you do not have one, contact Kenda Montoya at (505) 827-5749 or kmontoya@slo.state.nm.us.

Name of legal entity or personal name – This is the name in which the lease will be issued; it will be the lessee of record. This can be the name of a company or of an individual.

Mailing address – This is the address of the potential leaseholder.

The following five blanks require information to be recorded exactly as you find in the SLO monthly Oil and Gas Lease Sale Notice. The information includes the tract number in the sale, the name of the county in which it lies, the legal land description describing the tract on which you are bidding, whether it is a regular sale or special sale, and how many acres the tract contains. Note that some of the portions are already filled in, to give you a guide to proper annotation.

EXAMPLE: 001 S12 T13S R28E
 Sealed: V0-001 Description W2NW4, SE4NW4, SW4

Notice the V0 –type lines are different for sealed and oral bids.

The amount of dollars that you enter in the next blank is your bid. Notice that your first year's rental is included in your bid. Your bid on a 320-acre tract may be \$10,000; if the rental rate on that tract is \$1/acre, we will apply \$320 of your \$10,000 to the first year's rental.

The amount of dollars that you enter in the "Total remittance" blank is your bid plus the \$30.00 application fee. In the above example, you would remit \$10,030.

Name of applicant or agent – This blank is for the printed name of either the applicant or the agent of the applicant.

Signature – The form must be signed in the presence of a notary public. The signature here is of the person named in the previous, "printed name" blank.

Acknowledgment section – Your notary public will complete the remainder of the form.

Remember that the bid application and your remittance must be in the Accounting office of the State Land Office before 9:30 a.m. the day of the oil and gas lease sale.

To the representatives of the oil and gas industry:

In 2012, the New Mexico State Land Office entered into a Candidate Conservation Agreement with Assurances (CCAA) with the United States Fish and Wildlife Service (USFWS) and the Center of Excellence for Hazardous Material Management (CEHMM). The agreement was expanded in 2014.

The purpose of the CCAA is to provide protections for the Lesser Prairie Chicken and Dunes Sagebrush Lizard, while allowing industry activities to continue on State Lands. There are now 404,000 acres of State Lands enrolled in the program.

By enrolling State Lands, the New Mexico State Land Office has provided for program eligibility for lease holders on these lands. Enrolled lands are marked on the oil & gas lease sale tract listing with a footnote.

This is a voluntary program entered into by industry through CEHMM. Information on the program can be found at the CEHMM web site: www.cehmm.org/ccaccaa.

A handwritten signature in black ink, appearing to be "A. Dunn", is written over the printed name of the Commissioner.
