

**NEW MEXICO STATE LAND OFFICE  
MINERAL LEASE  
ENVIRONMENTAL QUESTIONNAIRE**

This questionnaire requests you to provide information concerning possible environmental risks associated with the operations to be conducted on your lease site.

The State Land Office's request for the information specified in this questionnaire does not imply that the lease site is at environmental risk from the presence or use of hazardous or toxic substances. Providing the requested information does not relieve you of any liability or responsibility for actions which may be governable under any State or Federal laws and/or regulations.

Providing this information may help you become aware of environmental concerns or risks associated with your proposed operation. You may want to consult with an environmental engineer, consultant, or an attorney regarding information provided in this form.

Name of Applicant: \_\_\_\_\_

Lease Number (if renewal): \_\_\_\_\_

Address: \_\_\_\_\_

Phone: \_\_\_\_\_

Proposed operation (e.g. mining and crushing gravel, making asphalt cement): \_\_\_\_\_

As part of your proposed operation, will you generate, use, store, transport, dispose of, or otherwise come in contact with toxic and/or hazardous materials, and/or hydrocarbons?    YES            NO

If Yes, please list the substances, the associated quantities and planned methods of disposal on a separate sheet of paper.

If the proposed operations involve any storage tanks, either above or below ground, please provide the following information for each tank: (use a separate sheet of paper if more than one tank)
