## **Online auction for oil & gas lease sale**

Starting in September, the New Mexico State Land Office will be adding an online contingent to its monthly oil & gas lease sale. The online portion will be held in lieu of the traditional sealed bid portion.

The sale will be held in two venues: online and in-house. The online sale will be active bidding, commencing at 8:30 am MDT September 13, with online bidding closing tract by tract beginning at 7:48 am MDT on September 20, with each subsequent tract closing two minutes later. Bidding on the final tract will close at 8:30 am MDT on September 20. The in-house sale will be oral, conducted in the Edward J. Lopez State Land Office Building, Santa Fe, New Mexico, and commencing at 10:30 am MDT on September 20. There will be no sealed bid auction.

The online auction will be conducted by the State Land Office auction house contractor, EnergyNet. When posted, the online tract listing can be viewed at [www.energynet.com](http://www.energynet.com). Prospective bidders must register with EnergyNet at [https://www.energynet.com/govt\\_listing.pl](https://www.energynet.com/govt_listing.pl) and abide by the terms and conditions therein.

**PAYMENT FOR ALL LEASES SHALL BE MADE THE DAY OF THE SALE IN CASH, BY CHECK, MONEY ORDER, CERTIFIED CHECK, OR ELECTRONIC TRANSFER ON A SOLVENT BANK.**

When you provide a check as payment, you authorize the State of New Mexico to either use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. Please be advised that payments will be drafted from your account immediately upon receipt. ("The successful bidders shall file proper applications for the leases purchased and shall complete the payment of any balance due on their bids before the closing of the office of the commissioner on the day of the sale." §19-10-17 NMSA 1978.)

## NEW FEE SCHEDULE FOR BID APPLICATIONS

The New Mexico State Land Office has instituted a new Schedule of Fees, effective July 1. The fee for an oil & gas lease application (Bid Application at a lease sale) has been increased from \$30 to \$100. The Bid Application form and instructions have been updated to reflect the new fee.

Bid applications for the September oil & gas lease sale must include a \$100 application fee.

The new fee schedule can be found at the State Land Office web site:

<http://www.nmstatelands.org/uploads/files/Fee%20Schedules/New%20Schedule%20of%20Fees%20%26%20Memo%20June%2030%202016.pdf>

## POLICY ON COMMUNICATIONS REGARDING OIL & GAS LEASE SALE NOMINATIONS

Because the listing of oil & gas lease tracts to be offered for bid is neither finalized nor public prior to publication, the State Land Office will not provide notification of whether submitted or internal nominations will be included in a lease sale prior to publication. Notification of inclusion will be in the form of the published lease sale listing.

Acknowledgement of receipt of nominations does not constitute a notification that such nominations will or will not be included in a lease sale.

The State Land Office will no longer track submitted nominations beyond the month they are submitted. Nominated tracts will only be considered for the following month's lease sale. If a nominated tract does not appear in the lease listing, it must be resubmitted the next month in order to be considered for a subsequent lease sale.

## Filling out the Bid Application Form

NOTE: For the online auction, you will fill out the bid application forms presented at the Energy Net auction site, and make payments as per instructions at the auction site.

For the in-house oral auction, winning bidders will use the following bid application form and make payments as per SLO instructions.

This guide follows the blanks on the Bid Application Form from top to bottom.

OGRID No. Enter your OGRID number here. If you do not have one, contact Ramona Marcus at (505) 476-0378 or [rmarcus@slo.state.nm.us](mailto:rmarcus@slo.state.nm.us).

Name of legal entity or personal name – This is the name in which the lease will be issued; it will be the lessee of record. This can be the name of a company or of an individual.

Mailing address – This is the address of the potential leaseholder.

The following five blanks require information to be recorded exactly as you find in the SLO monthly Oil and Gas Lease Sale Notice. The information includes the tract number in the sale, the name of the county in which it lies, the legal land description describing the tract on which you are bidding, whether it is a regular sale or special sale, and how many acres the tract contains. Note that some of the portions are already filled in, to give you a guide to proper annotation.

EXAMPLE: 001      S12 T13S R28E

Oral: VB-O-001      Description W2NW4, SE4NW4, SW4

The amount of dollars that you enter in the next blank is your bid. Notice that your first year's rental is included in your bid. Your bid on a 320-acre tract may be \$10,000; if the rental rate on that tract is \$1/acre, we will apply \$320 of your \$10,000 to the first year's rental.

The amount of dollars that you enter in the "Total remittance" blank is your bid plus the \$100.00 application fee. In the above example, you would remit \$10,100.

Name of applicant or agent – This blank is for the printed name of either the applicant or the agent of the applicant.

Signature – The form must be signed in the presence of a notary public. The signature here is of the person named in the previous, "printed name" blank.

Acknowledgment section – Your notary public will complete the remainder of the form.

20 January 2015

To the representatives of the oil and gas industry:

In 2012, the New Mexico State Land Office entered into a Candidate Conservation Agreement with Assurances (CCAA) with the United States Fish and Wildlife Service (USFWS) and the Center of Excellence for Hazardous Material Management (CEHMM). The agreement was expanded in 2014.

The purpose of the CCAA is to provide protections for the Lesser Prairie Chicken and Dunes Sagebrush Lizard, while allowing industry activities to continue on State Lands. There are now 404,000 acres of State Lands enrolled in the program.

By enrolling State Lands, the New Mexico State Land Office has provided for program eligibility for lease holders on these lands. Enrolled lands are marked on the oil & gas lease sale tract listing with a footnote.

This is a voluntary program entered into by industry through CEHMM. Information on the program can be found at the CEHMM web site:  
[www.cehmm.org/ccaccaa](http://www.cehmm.org/ccaccaa).

**NOTICE:**  
**CULTURAL RESOURCE PROTECTION**

All oil & gas or mineral leases, assigns, and operators conducting drilling, production, injection, or related operations on state trust lands should be aware that it is a criminal offense for any person to knowingly excavate, injure, or destroy cultural property located on state land. [§ 18-6-9, NMSA 1978]. Applicants and lessees should exercise due caution to ensure that cultural properties are not inadvertently excavated, injured, or destroyed by any person. A cultural resource survey prior to any surface disturbing activity may assist in site identification and avoidance of criminal liability associated with disturbance or destruction of sites. Should any activity reveal suspected cultural property, the activity should cease until a site evaluation is made.
