RE: State Grazing Lease GM-2791

Dear Lessee(s):

A review of our files indicates that the annual rental on your grazing lease which was due October 1, 1993, remains unpaid at this time.

An interest fee of 1% per month will be assessed for each month the payment remains outstanding. Therefore, if you return your payment in November, you will need to submit \$880.86 which includes a 2% interest fee. If you return your payment in December, you will need to submit \$889.50 which includes a 3% interest fee.

If your payment including interest has been submitted, please disregard this letter.

If you do not intend to continue to lease, please notify me accordingly. If you have any questions regarding this matter, please feel free to contact me at 827-5731.

Sincerely,

Mary DuBose

Dear Lessee(s):

Please be aware that the above referenced Agricultural Lease is due to expire on September 30, 1999. The renewal contracts will be sent to you on July 1, 1999 for your execution. Therefore, now is the time to notify our office of any address changes or other corrections needed prior to the renewal of your Agricultural Lease. The name(s) listed above are the name(s) as they are given on your contract. Each individual listed above will be required to sign the contract unless a proper Power-of-Attorney is filed with this office.

Please take a few minutes to review your Agricultural Lease with regards to the lease ownership, address, or description of acreage. Any information you can provide us with now relative to any changes or corrections needed to your lease will assist us in preparing your renewal contract. If any changes of ownership are needed; it is recommended that you contact Jenny Valdez as soon as possible at the address below or by calling (505)-827-5770 in order to receive the necessary forms for the lease transaction.

Please be aware that processing any lease transfer between the dates of June 1, 1999 and September 1, 1999 may jeopardize the opportunity to match any rental offer submitted by a competing applicant.

If you have any questions regarding your lease renewal or need further assistance, please contact Fernando Roybal at (505)-827-5775.

Sincerely,

Dennis Garcia, Director  
Surface Resources Division
