The granting of this permit does not allow access across lands belonging to others.

Application Fee: \$50.00

NMSLO authorization applies only to NM State Trust Lands. If the proposed activity will cross lands managed by a private party or other agency jurisdiction, it is the applicant's responsibility to obtain any necessary permits and approvals.

Temporary surface line(s) must be labeled to identify the operator of the lines(s). The label should include, at a minimum, the name of the company, applicable contact information and line content. The labels should be placed at the beginning, ending and every 2,500 feet in between. Pipelines must be spaced a minimum of 12 inches apart from existing surface pipelines to allow for livestock to cross. If the minimum line spacing cannot be met to allow livestock to cross, berms 3 feet in width must be placed in areas where established cattle trails exist, but no less than every tenth of a mile.
